Thanksgiving, 1974

Dear God, on this Thanksgiving Day
Help us to feel the thanks we say;
To know that it is none but Thee
Who causeth thankfulness to be.
Thankfulness for simple things
Like sun and rain, a bird that sings;
For children's hands that fold in prayer
Relying on Thy loving care.
Thankfulness for blessings of the past,
For dear ones who are safe at last;
For faith which in all future days
Trusts only One to guide our ways.

100 YEARS AGO

Thanksgiving Day in Illinois

Illinoisans observed a "pretty bleak and windy" Thanksgiving Day 100 years ago by attending church services and target shooting matches in addition to consuming the traditional turkey dinners.

A check of November, 1874, newspapers from cities around the state reveals that Springfield was the only city to have an organized celebration of the holiday.

The state's banks and most businesses were closed but post offices were open in the

morning and again in the evening. The Rock Island Daily Argus remarked that the churches and saloons were the only places open.

IN CHICAGO, Peoria, Rock Island and Springfield two or more churches held "union" Thanksgiving services. The papers did not say whether the consolidation was intended to be ecumenical or economical. In Springfield members of the "First Baptist, First Presbyterian, First Congregational, Second Presbyterian and English Lutheran churches united in services at the First Presbyterian Church."

The Daily State Journal complained, however, that "It was a source of discomfort to the large congregation to find the church so cold and cheerless, as to threaten sickness to some of the attendants."

IN SPRINGFIELD "The Governor's Guard paraded in the morning through principal streets and were much admired

Referendum Questions and Answers

(Editor's Note: On Saturday, Dec. 14, voters in Grade School District No. 34 will be asked in a referendum to increase the educational tax rate by 45 cents per \$100 of assessed valuation. Following are questions and answers supplied by the district to help inform voters.

Last week it was incorrectly stated that the 45-cent increase would raise taxes \$45 for the owner of a home valued at

\$10,000. The correct wording should have been: "of a home with an assessed valuation of \$10,000." The average home in this area is assessed between \$7,000 and \$8,000, or from 36 to 39 percent of its actual value.)

Q. What is the rate increase asked for in the referendum?

A. The referendum is asking for a \$.45 rate increase per hundred dollars of assessed valuation.

Q. How much increase in taxes will that be for the average tax payer?

A. According to the best information we have available, the average home in our area has an equalized assessed valuation of about \$7,000. For this home it would mean a tax

increase of \$31.50.

Q. How can I determine how much of an increase in taxes it will mean for my home?

A. On your latest tax bill is a figure showing your equalized assessed valuation. If you multiply that number by .0045 the answer will be the additional taxes under your present assessed valuation.

Q. Does this referendum have anything to do with buildings?

A. No, this referendum is for the operation of the schools; the money can be spent for no other purpose.

Q. What has caused the present financial crises?

A. Our present situation has come about primarily because: 1. Our student population has grown faster than the assessed valuation of our property. 2.

Inflation has continued to hit the schools like it has everywhere else. 3. Under the new state aid formula we are not getting nearly as much state aid as we would be getting if our tax rate was a little higher.

Q. How can we vote by absentee ballot?

A. You may vote in person at the Upper Grade School on any school day up to and including Dec. 11. You may call for an absentee ballot (395-0712) or write for one, 800 Highview Dr., Antioch 60002. Calls or letter requests must be made on or before Dec. 9.

Q. I am not a registered voter. How can we get registered?

A. You may register at any of the grade schools on any school day, or at the village hall, up to and including election day.

for their soldierly bearing and precision." Headed by a band the guard marched to a range where a target shooting contest was held.

"In the evening the armory was brilliantly lighted up, and handsomely decorated" and "a promenade concert and exhibition drill were the main features of attraction." Later "Dancing was indulged in the capacity of the hall being sufficient to accommodate 10 or 12 square dance sets at one time. If there was any waltzing or indulging in round dances generally, it was,

of course, by the very youthful only."

Shooting contests were also held in Chicago and Quincy. The Chicago Inter-Ocean reported that "The Gun Club celebrates Thanksgiving day with a shoot near the Powell House."

THANKSGIVING DAY, which the Inter-Ocean had described as "pretty bleak and windy," was followed on Friday by a snowstorm that blanketed the state. The Springfield State Journal reported on Saturday that "The snowstorm yesterday was a thoroughbred in all respects, and especially wel-

comed by the lovers of sleigh riding, who didn't care that the horse cars were prevented running. Quite a number of cutters and other light sleighs were out during the day, and the snow having meantime fallen to considerable depth, the merry jingle of bells was heard quite frequently last night, as large loads of pleasure seekers defied the storm."

The Peoria Daily Transcript reported on Saturday that the snow was five to six inches deep, and "Today the merry sleigh bells will make things quite lively."

Letter To The Editor

District 34 Probation Clarified

To the Editor:

Apparently some clarification statements need to be made concerning the recognition status of District 34 schools, (Antioch, Oakland, Channel Lake, and the Upper Grade School).

The State Visitation Report will say that our schools will be on probation as of July 1, 1975, unless there is evidence of a Vocal Music Program, and an Art Program. It will also state that the people of District 34 need to support their schools at a higher tax rate.

People are asking, "What does probationary status mean?" Probationary status means that after one year the State has the power to place the district on a non-recognition status and cut off all State Aid, if the deficient areas have not been corrected. Where schools have made an effort to correct the situations creating the probationary status I have known districts that were carried at the probationary level for two or three years.

It is also true that the State does put schools on a non-recognition status. According to the Office of the Superintendent of Public Instruction, four school districts in Illinois have been notified that they are facing non-recognition as of July 1, 1975. Non-recognition does not mean that the State will take over the district or that additional taxes will be imposed. Faced with an impossible revenue situation it could mean that the non-recognized school system would be forced to petition the County Board of School Trustees to have the district annexed to another existing district.

The purpose of this letter is to state the facts without using these facts as scare tactics to get the up-coming referendum passed. We do need your "yes" vote, but not enough to misrepresent or mis-use facts. The whole truth is bad enough. We are in a serious financial condition. Please try to be an informed voter. Please vote, Dec. 14.

Henry Meyer
Supt., District 34

P.S. Mr. Flood, Lake County Superintendent of Schools, has seen this letter and has approved the facts, as stated.

THE BARRY GOLDWATER COLUMN

Clear-Cut Policy On Energy Needed

By SEN. BARRY GOLDWATER

The need for a firm national policy on energy, especially oil, is growing almost to the point of desperation.

The American people are being pulled and hauled in every conceivable direction on this very vital matter. Washington gives the impression of being an eight-ring circus on this question.

While gas stations and oil companies urge consumers to buy more gasoline, the Ford Administration asks the consumers to take it easy. Interior Secretary Rogers Morton talks about a possible increase in the gasoline tax while his boss, President Ford, rejects the idea. Secretary of State Henry Kissinger and Treasury Secretary William Simon are at loggerheads about how the situation should be approached from a foreign relations standpoint.

SO FAR AS we can tell, in recent weeks there has been a short-term surplus of gasoline because more conservation was practiced during the summer and because a mild

autumn reduced the need for heating fuel oil.

Thus, oil companies are attempting to empty their limited storage capacity of gas supplies before they can shift operations to the production of home-heating fuel.

What we have is a temporary glut of gasoline which will very shortly become a tight situation once again. And it is desperately important that the American people are not lulled into thinking that the oil problem is over for good.

COMMENTS...

Affording Education

If you have children ready to go to college...it would help if you are either rich or poor.

If you are rich, you can find the money needed to pay rising tuition, board and room, and other costs without too much difficulty. If you are poor, government programs and student loans funds are available to help you finance the education.

But if you are in

between being rich and being poor, you might not have enough money to pay the bills out of your income yet you may be too affluent for your youngsters to qualify for aid programs. You're caught in the middle... Students who don't have adequate cash but who can't qualify as 'needy' have another avenue of opportunity that could be a distinct advantage over

either affluence or poverty.

This is to work part-time to supplement money from home, as many of the parents did. This formerly was a common practice. Working your way through college has its good effect.

Thousands of success-

ful businessmen and women will testify that what they learned while working off-campus was at least as valuable to them as what they learned in the classroom. Few of them feel that they were disadvantaged by having to work.

Perhaps the strength of the middle class really lies in the fact that they have to work for what they get."

WHAT IS needed is for the President to cut through the growing confusion over energy questions. He could start by making sure the next federal energy administrator has the confidence of Congress, and the ability to convince the American people of exactly how matters stand.

When the heating season begins, gasoline no longer will be in such large supply that we hear talk of gasoline price wars in some sections of the country.

On this question the Ford Administration has left a great deal to be desired. The need for a clear-cut national energy policy existed long before Mr. Ford became President. It has grown more essential every day that he has been in office.

St. Stephen Lutheran - 7:30 p.m. Wednesday community service. Guest speaker: Rev. Donald McPeck.

Faith Evangelical Lutheran - 7:30 p.m. Wednesday, 9 a.m. Thursday.

Along the way with ANNIE MAE

Nice to see all the familiar faces home from school for the Thanksgiving holidays.

For all of you who are wondering what's being built next to the Hobby Barn on Rt. 83 — we got the scoop! The Antioch Rental Center owned by Roger and Phyllis Drije will relocate there about Feb. 1.

Our condolences to Peg Webb and her family.

Gladys Weber Birchfield from Muskogee, Oklahoma is visiting her mother, Mrs. Elizabeth Weber and her brothers and sisters in the area. Her husband Don and son Jim will join her for Thanksgiving at the Arnold Webers. Also joining the Webers that day will be Dale Hever of Fullerton, Calif. Dale is a pre-med student in Chicago.

Hear tell lots of duck hunters watched the fog roll in Saturday afternoon and then had great difficulty finding the shore.

Looks like some Antioch

residents celebrated Thanksgiving dinner early. Steve and Dee Alberts hosted the event Saturday night and the guest of honor was a 20 lb. turkey, which didn't last very long. A super part of the celebration was the Alberts' announcement that they will be adding to Antioch's population next June. Congrats you two!

Remember Santa comes to town on Saturday and will be at the Rescue Squad Building to visit with the kiddies from 12:30 to 5.

Birthday congrats are in order for Florence Eckert on the 27th, to Judy Jesse, Helen Vogler, Gloria Grippando and Janet Nordstrom on the 29th, to Bobby Dunlap on Dec. 1 and Lila Palinski on the 2nd.

Anniversary wishes to Mr. and Mrs. Joseph Patrovsky who celebrate on the 29th.

ALL OF US at the Antioch News would like to wish everyone a very happy Thanksgiving. We are very thankful for all the friends we have made and for the opportunity to serve this fine community. This is the time for all of us to be thankful for the great country we live in and all of life's blessings that have been bestowed on us.

Have a happy day and remember — the waistline!!

Knolls Plans Christmas Fun

At the Nov. 20 Property Owners Association meeting plans were announced for the Christmas season in Oakwood Knolls. Entrances to the Knolls will be decorated Saturday, Dec. 14, beginning at 9 a.m. Lifetime members of the Association and shut-ins will receive cookies and hear the voices of all the carollers on the evening of Dec. 18. A pot-luck supper will follow. Perry and Carol Lipham of Round Lake will be the judges for the home decorating contest. They will tour the subdivision on Friday, Dec. 20. Prizes will be awarded to the three most gaily decorated homes.

Santa will visit the subdivision on Saturday, Dec. 21 from 9 a.m. to 3 p.m. To make reservations for his visit to your home call Sue Plougham, 395-5307 or Barb Johnson at 395-3955. These gals would also like to hear from you if you plan to join the carollers, attend the pot-luck dinner or bake some cookies.

It was decided to purchase a sump pump needed to prepare the ice at the beach for skating. Plans were also revealed for the pier to be built at the Lakewood property.

Gail Heath, member of the Grade School District No. 34 Board, spoke to members of the association on the importance of the upcoming referendum on Dec. 14.

Newest addition to Antioch's Main St. businesses will be a shoe store at 919 Main St. in the building formerly occupied by the Towne Variety Store. Owner of the new store, to open Dec. 4, will be Lewis Simon, son-in-law of Mr. and Mrs. Don Gibbs, Antioch.

The Hickory School building, the last one-room school in Lake County, has been sold to Mr. and Mrs. Barney Nelson, according to an announcement made at a meeting of Antioch Grade School board by Ted Larson, school attorney. Hickory school district was annexed to the Antioch Grade School district last spring.

NIU Graduate Courses at CLC

Northern Illinois University will provide four graduate courses at the College of Lake County during the 1975 spring semester.

The courses are Art 501 and Art 504 (Drawing), Introduction to Educational Research and Historical Foundations of Education.

Registration procedures are outlined in the NIU spring class schedule.

The CLC spring semester starts Wednesday, Jan. 15.

High School Speech Contests

High school students are being invited to enter speech contests sponsored by the Veterans of Foreign Wars and by the American Legion. The topic for the American Legion contest can be of the student's choosing dealing with the constitution of the United States. The topic for the V.F.W. is "My Responsibility As A Citizen."

Competition in these contests has been limited in past years, perhaps, because students fear that the time demands may be extensive. Since the monetary rewards may be in the thousands of dollars, the 10 hours a student need invest would provide a high rate of return if assessed in terms of an hourly salary.

See Mr. Kurek for further information.

The Town Crier

With the possible exception of John Hadl of the Green Bay Packers, the most impressive performer on television last weekend was Joe Namath of the New York Jets.

On Friday night we saw him starring in a movie with the beautiful Ann-Margaret. Joe played the part of a motorcycle bum with his usual poise and cool. A very adequate actor.

On Sunday we saw Namath, the best quarterback in football, pass for two touchdowns and upset the world champion Miami Dolphins.

Since Gerald Ford, a former football star, and Ronald Reagan, a former actor, are among the candidates for the 1976 Presidential election, would we be too surprised to find Joe Namath running for President in 1996?

Against Robert Redford?

SPEAKING OF Redford ... Town Criers aren't allowed to read Playboy magazine, of course, but a friend tells me the December issue features a lengthy interview with "Hollywood's most powerful male sex symbol."

One of his producers calls Redford "so smart he could be the first actor to be President." Playboy adds: "Today that may not be a compliment."

Playboy asks Redford: "What do you think would have happened in this country if Watergate hadn't been uncovered?"

Redford says: "I think we were heading for some kind of

Orwellian nightmare, and that it was blown apart just before it went over the line. They were getting everything so nicely stacked ... trying to take over the FBI, the whole mentality that said dirty tricks could be equated with national security."

Redford expresses his scorn for politicians this way:

"I have a gut-level feeling about politicians that goes way back, that there's nothing to see in their eyes. They all talk as though they're addressing a room filled with 40,000 people; there's no sense of one-to-one relationship."

AUTOMOBILE FACTORIES are shutting down, and just in time to provide this year's reason for not getting the wife a new car for Christmas.

RAMPANT INFLATION, job layoffs and the nation's worst recession since the 1930s. Yes, a lot of people are becoming very worried. One nice thing about living in a little town like Antioch - if they start jumping out of buildings they won't get hurt very badly.

Mrs. Miller cited the work the State of Illinois Federation of Women is doing in brain research and presented local president, Fern Watson, with a service key.

John Mosiman entertained the ladies with his musical painting to Fiddler on the Roof and a special chalk painting of the Black Canyon in Gunnison, Colorado with stereo music in the background.

Hostesses for the afternoon were Ms. William Seemann, Gus Costoff, El Roy Anderson, Florence Babusek, Edward Brundige, Vern Burdick, Jacob Feiler, Homer Fowles, Lester Nelson, L. V. Madden, Max Jester, Ray Lorenz, Jr. Myrus Nelson, Alfred Pedersen, William Petty, Fred Yates and Irving Elms.

A pot luck Christmas luncheon meeting will be held Dec. 2 at 12 noon at the First National Bank of Antioch.

Names in the News

James M. Bowers, Rt. 5, Box 324B, Antioch, Ill., has retired from Commonwealth Edison Company after almost 27 years of service. He was stationed at the Crawford generating station, 3501 S. Pulaski Rd., at the time of his retirement.

Bowers and his wife, Harriet, have a daughter, Bertha.

Monmouth, Ill. — Brandon Abear of Antioch and Rick Sedar of Lake Villa are among the 48 students who will be considered by the College's Faculty Athletic Committee for letter awards for their participation in the football program. Monmouth's football team

was 7-2-0 on the season, winning their last four games. The last two were shutouts.

Eve January, a senior at Rockford College from Antioch, has been selected for inclusion in the 1974-75 volume "Who's Who Among Students in American Universities and Colleges."

She is the daughter of Mr. and Mrs. Ernest L. January, Rt. 2, Box 29, Antioch.

Eve was selected after nominations by faculty, staff and student leaders. Nominations, open to all graduating seniors, were based on scholarship, leadership and participation in academic and extracur-

ricular activities, general citizenship and service to the college.

Eve is pursuing a double major in English and Child Development, with the intention of teaching at the elementary level prior to a later specialization.

Marine PFC. David L. Blankenkner, son of Mrs. Joan Orphan of Rt. 3, Antioch, Ill., has returned to the Marine Corps Base, Camp Lejeune, N.C., after participating in training exercises at Fort Pickett, Va.

As a member of the 2nd Amphibious Tractor Battalion, he took part in weapons firing and amphibious vehicle driving maneuvers.

A former student of Kelyvin Park High School, Chicago, he joined the Marine Corps in June, 1973.

Jaycee Fish Fry

The Antioch Jaycees are sponsoring a Fish Fry on

Friday, Dec. 6, at the Dutchman Restaurant located on Rt. 83 north of Antioch, from 4:30 until 7 p.m. Cost of the meal is \$1.95 for adults and \$1.50 for children.

Tickets may be purchased in advance thru the Jaycees or at the door.

Proceeds from the Fish Fry will be used for park equipment at the newly constructed Jensen Park in Sequoit Terrace.

Rebecca News

Visitors from the Crystal Lake and Waukegan Lodges were guests at the Nov. 20 meeting of the Lakeside

Rebekah Lodge No. 82. Mrs. Lillian Hand was hostess for the evening.

New officers were elected for the District Association No. 3 at their annual meeting in Waukegan on Nov. 22. Those installed that evening were: Mrs. R. Verne, Waukegan, president; Mrs. Z. Larson, Antioch, vice-president; Mrs. V. Grahagan, Waukegan, secretary; Mrs. E. Strand, Libertyville, Treasurer. Appointed officers will be named later. Several members of the Antioch lodge were present at the meeting.

Join Now

Membership in Antioch American Legion Auxiliary is now at 77. Be a "Belle of '75" by renewing your membership or joining as a new member of Antioch Unit No. 748.

The membership chairman of the unit, Mrs. Helen DeVries, extends an invitation for membership to mothers, wives, sisters, daughters and granddaughters of living veterans who are members of the American Legion. Membership is also open to the same relatives of a man or woman, who was killed or died while serving our country, during World Wars I and II, the Korean War or during the Viet Nam Conflict, or after honorable discharge from such service. Any woman veteran who was in service during the designated period of time is also eligible for membership.

A new potential for enrolling members was opened at the recent National Convention of the American Legion, through the extension of periods for eligibility as follows: World War I - Apr. 6, 1917 to Nov. 11, 1918, no change; World War II - Dec. 7, 1941 to Dec. 31, 1946, new dates; June 25, 1950 to Jan. 31, 1955, new dates; Aug. 5, 1964 to Aug. 15, 1973, dates established last year. All dates inclusive.

For a truly rewarding experience, Mrs. R. Rathmann, President Antioch Unit No. 748, highly recommends membership in the American Legion Auxiliary, Department of Ill. She reminds us that the American Legion Auxiliary is the largest patriotic organization of women in the world, organized to serve the veteran and his family, and to promote the best interests of America.

"The world doesn't owe anybody anything . . . it was here first."

ATTENTION!

SENIOR CITIZENS & DISABLED PERSONS

State Bank of Antioch will have Tax Rebate forms and personnel available to assist you with your applications for property tax rebate granted by the Illinois legislature to qualified senior citizens and disabled persons. This service will be available on Saturday, November 30th, from 9 a.m. to 3 p.m. in the bank lobby.

The tax rebate form for the Illinois Department of Revenue permits anyone who was 65 or over as of the end of 1973 or disabled, with household income under \$10,000 per year, to file for a cash payment. Information needed to complete the form is (1) total property tax paid in 1974 (1973 taxes) or total rent paid in 1973, and (2) total income for 1973.

Applications for a rebate on 1973 property tax, paid in 1974, must be filed before December 15, 1974.

PM&L Show Has Excellent Local Cast

PM&L Theatre's holiday production of "Mickey" has a cast of personalities well-known to Antioch play-goers.

Aileen Biel, Don Beveroth and Bob Bundy, for example, are combining their onstage and backstage talents to become puppeteers.

"Mickey" tells the story of the Mason family, which almost loses a daughter to fantasy. The mother, Dena Fabry, was voted PM&L's outstanding actress this year for her lead role in "Lady Audley's Secret." She also was in the 1973 children's show, "Rip Van Winkle."

Colin and Nancy Mason are played by Jim Fabry and Susie Dyer. Jim was also in "Rip Van Winkle." Susie will be remembered as the young girl in "Wait Until Dark" in spring, 1972.

Jennifer Beese has the title role, "Mickey." What a dilemma! Should she remain at home with her family or enter a dream world of puppets, castles and countesses? Jennifer made her debut with PM&L last summer as one of Captain Von Trapp's children. This earned her the award for outstanding performer under the age of 16.

Mrs. Reilly, played by Pam Hill, and the police officers - Charlie Brown and Frank DiMarco - take opposite sides

in Mickey's conflict. All three are PM&L regulars, as is Pat Unnerstall, who plays Pearl Cochems.

Tom Brannigan, as Ben

Cochems, is the only newcomer to the cast. He lives in Antioch, is a commercial artist, and a member of the Antioch Fire Department.

The entire cast is promising a delightful holiday treat in "Mickey." You are invited to join them on Dec. 7, 8, 14 or 15 at 7:30 p.m. Reservations should be made Monday through Friday, 7 to 9 p.m. Call 395-9702.

Melville C. Knirsch will be installed Saturday as Master of Sequoit Lodge No. 827. The installation will begin at 7 p.m. in the Masonic Lodge at 885 Main St.

Installing officers will in-

clude District Deputy Grand Master Les Kodner, Illustrious 33rd degree John Hill, and three Past Masters of Sequoit Lodge, Harold W. Wilson, Wayne Polsgrove and W. B. Gillum.

A highlight of the evening will be the presentation of a 50-year membership pin to Robert Wilton by his son, Mayor Robert Wilton. Several 25-year membership pins are to be presented also.

A reception will be held at the Knirsch home at Grass Lake Rd. and Springwell Ave. immediately following the installation.

Tax Rebate Help Offered At State Bank

William E. Brook, president of the State Bank of Antioch, has announced that bank personnel will be available on Saturday, Nov. 30 from 9 to 3 to assist in preparing the tax rebate form for Senior Citizens or Disabled Persons who wish to file for tax rebate on property tax paid in 1974 (1973 taxes).

The tax rebate form for the Illinois Department of Revenue, according to Mr. Brook, permits anyone who was 65 or over as of the end of 1973 or disabled, with household income under \$10,000 per year, to file for a cash payment. Information needed to complete the form is (1) total property tax paid in 1974 (1973 taxes) or total rent paid in 1973, and (2) total income for 1973.

The deadline for filing is Sunday, Dec. 15 and Mr. Brook urges persons to whom this form applies to contact relatives or senior citizens in their neighborhood who could be eligible to file.

SUGGESTIONS WANTED

The Lake County Health Services Planning Council will hold a series of public meetings to determine how best to utilize the former tuberculosis sanatorium for public health needs. "We want to hear from all segments of the community so we can make the right kind of recommendation to the County Board on how to use this medical institution," said Dr. John Dolce, DDS, Council president. Those wishing to offer suggestions for the building's use should contact Mrs. Claire Vickman, the Council's executive director, at her office, 689-6497. The meeting will take place at Antioch High School on Wednesday, Dec. 4 at 8 p.m.

ABC'S OF Travel Domestic and International

By BARB CORBIN

A bit of good news: the CAB has approved midweek excursion fares that will reduce fares by 25 percent on long-haul routes for this fall and winter.

Anyone going out west can take advantage of this savings provided they follow these rules: tickets must be purchased at least seven days in advance, and you must fly on Tuesday, Wednesday or Thursday.

This so-called Bargain Day fare is more or less like we were accustomed to in the past with Discover America, Family, and Youth fares.

Once the various promotional fares are eliminated, the public will think twice before flying anywhere.

Now once again, there are a few new bargains of which one

can take advantage of, providing you know about it. For more information, just give your local travel agent a call and ask about the special fares.

Free 'I Quit' Clinic

Despite scientific research showing a connection between smoking and heart disease, lung cancer and various other diseases, many men and women are still smoking.

Most of these smokers have probably thought about quitting or have even tried unsuccessfully to quit. For these smokers who "need a little help from their friend" a free "I quit" clinic is being co-sponsored by the American Cancer Society and Family Counseling Clinic.

The free workshop runs Monday through Friday, beginning Dec. 2 from 7:30 to 9 p.m. at Family Counseling Clinic located on Rt. 120, just west of Rt. 45 in Grayslake.

To register, or for more information, call the Clinic at 223-8107.

Peasants in parts of Russia put skeins of red wool around the arms and legs of fever victims.

To a burglar, that living room light means Mr. Jones is home.

To Mr. Jones in Florida, that's a comforting thought.

How do you keep an empty house from looking empty? With timing devices that turn lights on and off at pre-set times while you're away. To a would-be burglar, your house seems occupied.

Some devices have special light-sensitive cells that

automatically turn a light on at dusk and off at dawn. Some allow the on-off cycle to occur several times a night. The craftiest burglar would never suspect.

The best time to use timers is while you're on vacation or on weekends away from home. But it's a good idea to use them any time you're away. A burglar can take advantage of an evening on the town as easily as a two-week vacation.

You can pick up these burglar-proofing devices from your hardware, department or discount store for a few dollars. And they don't use any more current than an electric clock. That's a small price to pay for all the protection you're getting.

3 Games for Sequoits

While you are stuffing yourself with turkey this week, the Antioch Sequoits hope to be feasting on three basketball opponents.

The orgy, if you will pardon

the expression, is known as the Barrington Tournament and the fun begins on Wednesday night.

Antioch plays Elgin Larkin at 7 o'clock and then

Barrington duels Cary-Grove in the second game.

On Friday night it's Antioch against Cary at 6:45 and on Saturday, at 8:15, the Sequoits get to play the home team, Barrington.

THESE WILL be the first three games of the Sequoits' new season and a lot of

Antioch fans will be motoring over to Barrington to get a look at Coach Roger Andrews' new machine.

Will it provide the kind of thrills last year's team did as it marched undefeated to the conference championship?

A pretty good idea ought to be provided in the first game. Elgin Larkin is Coach Andrews' choice as the toughest foe in the Barrington brouhaha. (That's a nifty word meaning excitement.)

"LARKIN HAS everybody back from last year," says Andrews, "and their front line goes 6-6, 6-3 and 6-3."

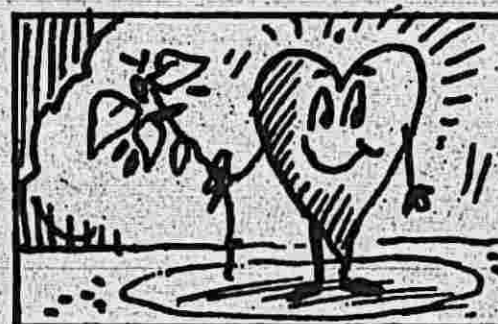

Antioch doesn't have tremendous height, but the Sequoits are of fairly rugged size. Tonight's starting lineup probably will include 6-4 Russ Albano and 6-3 Mike Perrone at forwards and 6-3 Scott Kimball at center. Three guards are competing for starting assignments: 5-9 Bruce Bossey, 6-2 Mike Witt and 6-1 Kevin Walpole.

THE SEQUOITS performed for local fans in an intrasquad game last Wednesday. The Red team, led by two of last year's stars, Albano and Perrone, defeated the White team 75-57. In addition to Albano and Perrone, Tossey and Kimball also scored in double figures.

Andrews called the game a very good performance in which some of the underclassmen got rid of their tensions and acquired experience.

Antioch's sophomores also will play three games at Barrington, meeting Elgin Larkin at 5 p.m. today, Cary-Grove at 1 p.m. Friday and Barrington at 2:30 p.m. Saturday.

Gary Allen coaches the sophs and Antioch's freshmen are being coached by Norm Hahn and Mark Guthrie. Don Zeman is assisting Andrews with the varsity again.

ANTIOCH'S ART MEYER slaps a cradle hold on a Mundelein heavyweight. (Photo By Paul Maplethorpe)

Antioch Matmen Win, Then Lose

The Antioch varsity wrestlers opened their season by splitting two meets last weekend.

Friday night the Sequoits beat Mundelein 34-27, but they fell 31-24 to Harvard Saturday afternoon.

At Mundelein, Antioch started out poorly as Bob Gossman was pinned in 4:32. Brian Parpan got those points back with his own fall in 3:15.

John Davis lost a close match to an outstanding Mundelein wrestler and then Antioch began to roll.

Scott Shaffer scored a pin, Greg Nordstrom won a decision, Dave Kisner and Bill Hogan followed with pins, and Dave Bogaerts followed with a

superior decision to run the score to 31-9 for Antioch.

Steve Olsen and Rich Gorski were pinned, then Dale Easman won 6-2 to insure the win. Mike Weber was pinned in the heavyweight bout to bring the final score to 34-27, Antioch.

At Harvard Antioch started fast with Gossman losing 3-2 but Parpan recorded another pin.

After Davis lost, Shaffer, Nordstrom and Kisner again won.

Bill Hogan lost at 138, but Dave Bogaerts won an exciting 6-5 decision at 145.

At this point the score was 24-9, Antioch, but the bottom fell out. Steve Olsen was

injured at 155 and, although it was not serious, the injury was to Steve's head and Coach Ted DeRousse withdrew him from competition.

Rich Gorski lost 14-0 and now the score was 24-19 and Antioch needed a win from one of its top two weights to clinch the win. Unfortunately this was not to be Antioch's day. Dale Eastman was disqualified for stalling and Art Meyer made a bad move at heavyweight and was pinned.

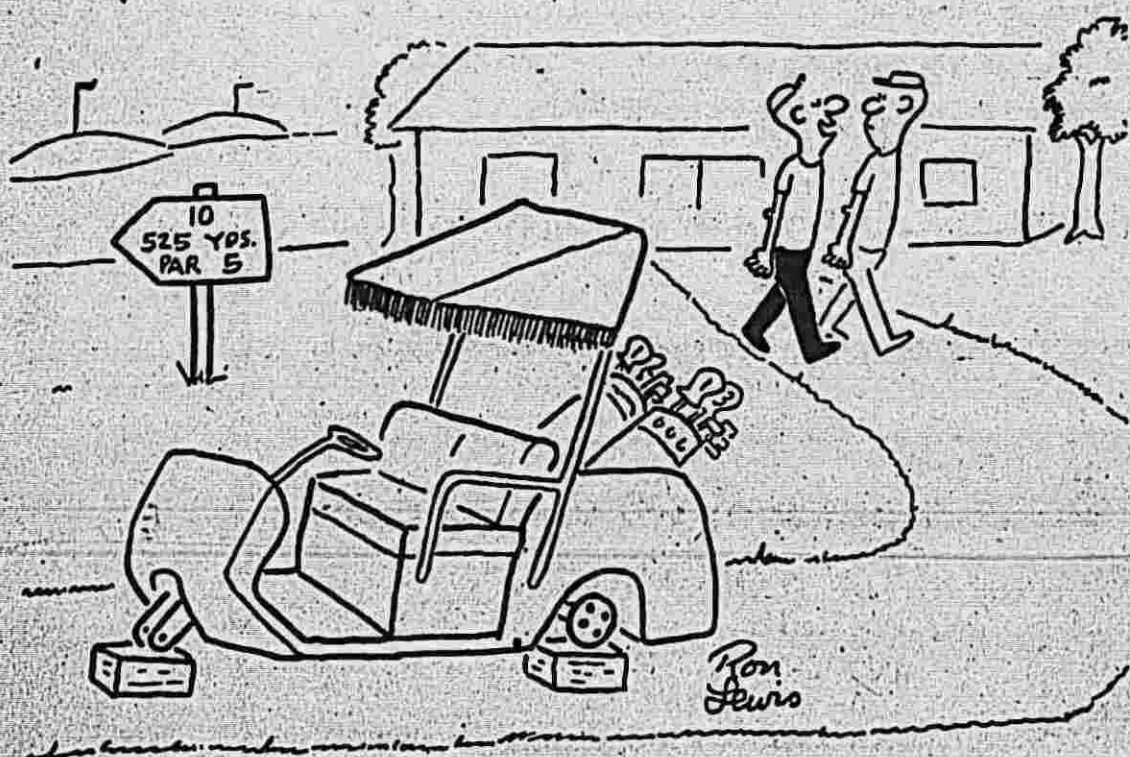

Antioch's JV team wrestled against Mundelein and vared and came out big winners. Antioch's next match is at home tonight at 6:45. The first conference meet is Tuesday, Dec. 3, here.

Emmons

Emmons School opened its basketball season at Salem, winning the seventh grade game 14-13 but losing the eighth grade contest 40-13.

The winning basket in the seventh grade game came with 1:32 to play and was scored by Mike O'Brien. Pete Weber's defensive play in the final moments was praised by coaches and Dee Maras blocked four Salem Shots in the late stages.

Greg Bodin scored nine points for the eighth graders in the first half, but they still trailed 20-17. The game was close until Salem pulled away in the final quarter.

"They say they've had a vandalism problem here."

Saving Energy Is Still Important

By MICHAEL D. TEELEY

(Editor's Note: Mr. Teeley is director of the Environmental Education Program for Antioch grade school district 34. He and the 24 teachers who are working with him are developing an educational program — for kindergarten through 12th grade — focusing on environmental issues and problems that are important to the students and citizens of Antioch. This article deals with some of them.)

As the first snowfall and below-zero temperatures approach it might be a good time for the people of Antioch to recall the energy problems of last year. Forgetting whether or not it was a scheme to make huge profits, this is a good time to use some of those tips we saw last year.

As energy users we can all save ourselves some money by reducing our energy use. Here are a few tips for you to consider:

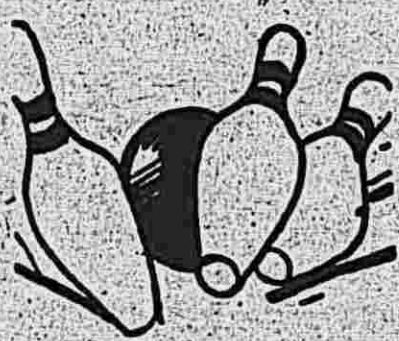

1. Reduce the heat at night; turn the thermostat down to 65-67 degrees during sleeping hours; every degree over 70 will add five percent to your heating bill.
2. Put weatherstripping around all leaking doors. Check for leaks with a lighted candle or cigarette. A leaky door is like having a window open.
3. If you have a fireplace be sure the damper is closed when it is not in use; hot air goes up the chimney very quickly.
4. Buy an inexpensive shut-off valve for your shower. If you turn off the shower when lathering up you can reduce hot water use by 66 percent and also the need for energy to heat the water. Tub baths use three times as much water as showers.
5. Cook many dishes at once when you use the oven; this saves both time and money.
6. Use smaller wattage light bulbs wherever possible. Remember approximately two-

thirds of all the energy used to produce electricity is lost before it reaches the home.

7. Keep your car tuned; plugs and points replaced at regular intervals can actually save you energy. You can reduce the cost of this operation by changing plugs yourself and having a mechanic install the points and fine-tune the engine.

8. Combine your auto trips; planning ahead can save many gallons of gasoline. Walk if it is less than a few blocks.

Remember last year was just a warning. A growing population has to reduce demand or increase supply. Our supply of energy is like the sugar supply and energy cost may increase like sugar.

Anything Else Is Anticlimactic

By JERRY PFARR

Most writers have to wait until the end of December to decide who were the outstanding sports heroes of the year. But I'm a month ahead of the pack.

I've already got them picked. I'm convinced that nothing could possibly happen next month to top the achievements of my favorite athletes of 1974 — Bob Hammel, Warren Collier and Tom Harrel.

What's that? You've never heard of them?

Well, I'm sure, at least, that you've heard of those neighboring towns in New Jersey. Whippany and Parsippany. Well, Bob Hammel was the basketball player at Whippany who scored the final basket in last February's big game against Parsippany.

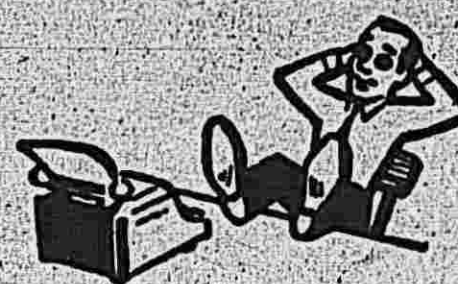

THE SCORE WAS tied 62-62 with only seconds remaining and there was a wild scramble at mid-court for a loose ball. Hammel scooped it up and dribbled madly down the floor. Whippany fans screamed as Hammel leaped high in the air and stuffed the deciding points through the hoop.

But, whoops, it was the wrong hoop. In the excitement Bob had dashed in the wrong direction and scored the basket that gave rival Parsippany a 64-62 victory.

Thinking it over later, Hammel mused: "I thought it was strange that none of the Parsippany players tried to stop me."

WARREN COLLIER, baseball coach in Kankakee was all set for the championship

the Pfarr Corner

game. So he boarded his team on the bus and headed for Kokomo.

Arriving at the ball park, Coach Collier noticed there were no fans and no other players. Getting off the bus he asked the groundskeeper:

"Where's the Kokomo team?" "Gosh," the groundskeeper replied, "they went to Kankakee. Your buses must have passed each other on the highway. See, our schedule is over there on the scoreboard. The game is at your park."

TOMMY HARRELL runs the 440 for Kalamazoo. In a big track meet, Tommy was anchoring the mile relay team and was handed the baton with a 10-yard lead.

The outcome of the meet hinged on this final race and Tommy Harrell took off as if he had firecrackers in his pants. Around the turn and down the backstretch he held that 10-yard lead. Around the final turn and into the homestretch, Tommy Harrell was sprinting to victory and then, alas and alack, the elastic broke in his running trunks.

The crowd went wild! Tommy's sprint turned into a limp as he tried to keep his pants up. Clutching the baton in one hand and his trunks in the other, Tommy hobbled to the finish line as the rival runner sped past and won the race.

Okay, it was a loss for Kalamazoo, but it was a victory for modesty, right?

Nice going, Tommy Harrell! You showed 'em... uh, we mean, you didn't show 'em.

ALL-LAKE COUNTY

3 Sequoits Honored

Three Antioch High School football players were honored by sportswriters last week when they were given All-Lake County honors.

Defensive back Frank Plevi-

ak was named to the All-Lake County team just as he had been named previously to the Northwestern Suburban Conference squad by coaches.

Receiving honorable mention in the All-Lake County selections were two other Antioch stars, guard Chuck Smith and halfback Mike Jones.

Soph Matmen Win 2 Meets

Antioch High School's sophomore wrestlers opened their season last weekend with two wins.

Friday evening, they beat Mundelein 47-10. The match was highlighted with pins by Don Traska, John Kakacek and Bob

Ducato. Bill Harland beat his opponent 13-0.

Two freshmen, Steve Davis and Randy Larsen, were brought up to fill vacancies at the 98 and 105 pound positions and earned points for Antioch.

Saturday the sophomores beat Harvard, ranked third in state last season, by the surprising score of 54-18. Five Antioch wrestlers pinned their

opponents and nine won their matches.

The Sophomore Sequoits will take on Zion-Benton tonight at 6:45 in the South Gym at Antioch High.

It is often easier to fight for principles than to live up to them.

CHRISTIAN
SCIENCE
CHURCH

Jesus proved sickness has no power over man when he healed the only son of a man in the multitudes. This is brought out in the Lesson-Sermon on "ANCIENT AND MODERN NECROMANCY, alias MESMERISM AND HYPNOTISM, DENOUNCED" at Churches of Christ, Scientist, this Sunday.

From SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy this citation will be read: "Jesus never spoke of disease as dangerous or as difficult to heal. When his students brought to him a case they had failed to heal, he said to them, 'O faithless generation,' implying that the requisite power to heal was in Mind."

Services at First Church of Christ, Scientist, BEACON HILL, Rt. 173 and Harden, Antioch, Illinois begin at 11 a.m. All are welcome and care for children is provided.

Christian Science Thanksgiving Service

"I will praise the name of God with a song, and will magnify him with thanksgiving."

This passage from Psalms is the Golden Text of the Lesson-Sermon to be read at Thanksgiving services next week at Churches of Christ, Scientist.

The 11 a.m. public service at First Church of Christ, Scientist, Rt. 173 and Harden St., Antioch, will include reading of the Thanksgiving Proclamation of the President of the United States and Lesson-Sermon on Thanksgiving. No collection is to be taken.

Mrs. Barbara Conzelman, First Reader, and Mrs. Lor-

raine Wirt, Second Reader, will conduct the worship service, which also features testimonies of gratitude.

Mrs. Ingeborg Wieghart, soloist, accompanied by Mrs. Ida Koberstine, organist, will sing "We Thank Thee" by Malcolm Fitzgerald.

Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this statement: "Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."
